

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS

Regional School District No. 7 is committed to the establishment of a drug use and alcohol misuse prevention program that meets all applicable requirements of the Omnibus Transportation Employee Testing Act of 1991 (OTETA) and applicable state statutes pertaining to pre-employment and random drug testing of school bus drivers. The District shall adhere to federal and state law and regulations requiring a school bus drivers' drug and alcohol testing program.

The Superintendent will develop administrative regulations as needed to implement the District's "drug and alcohol testing program" including provisions for pre-employment, reasonable suspicion, random, post-accident, return-to-duty and follow-up testing as may be necessary. The regulations will also include training, education and other assistance to employees to promote a drug and alcohol-free environment.

Contracts for transportation approved by this District shall contain assurance that the contractor will establish a drug and alcohol-testing program that meets the requirements of federal regulations, state statutes and this policy and will actively enforce the regulations of this policy as well as federal and state requirements.

This policy applies to all drivers and applicants for driver positions for the District who must have a Commercial Drivers License (CDL) to operate school vehicles and school transportation vehicles (STV) that carry ten or fewer students.
