

MINORITY RECRUITMENT

The Regional School District No. 7 Board of Education realizes the importance of providing students with opportunities to interact with students and staff from different racial, ethnic, and economic backgrounds. The Regional School District No. 7 Board of Education supports programs which provide integrated learning experiences for our students. Included in the District's efforts in this regard is the active recruitment of minority teachers. To this end, the Board of Education believes that the importance of diversity of individuals and cultures should be recognized in the recruitment and assignment of personnel in order to help promote an intellectually and culturally dynamic environment that enables all students to gain an increased awareness and appreciation of the diverse world in which all are connected. The District will continue to recruit, hire, and retain minority staff as important steps in the District's overall commitment to attract and hire the most qualified people to provide the best possible educational experiences and learning opportunities for all students.
