

STUDENT CAMPUS DRIVING AND PARKING REGULATIONS

JUNIORS 2021-2022

Student use of motor vehicles at Northwestern is a privilege granted by the school. Students are subject to the rules, regulations and administrative guidelines in this parking regulations agreement and must comply with all laws and licensure requirements.

Student parking permits are \$60.00 for the year. (Additional parking decals will cost \$5.00 per vehicle.) Checks should be made payable to R.S.D. #7. This is the fee assigned for parking privileges by the Board of Education. A portion of these funds is used to support student activities and interests.

The parking permit must be displayed on the front windshield, driver's side, bottom corner. Students must abide by the following regulations:

- Every student driver must comply with Connecticut's Graduated Driver Licensing laws including the nighttime curfew restrictions, passenger restrictions, and all drivers and passengers must wear a seat belt. If any of these regulations are violated, the student may have their driver's licenses seized by a police officer immediately. The student driver will be subject to any other consequences by law.
- Adhere to the posted speed limit on school grounds of 15 mph and come to a complete stop at all stop signs.
- Do not pass a standing school bus with red flashing stop lights and do not enter a line of school buses or attempt to pass a moving school bus.
- Park in the designated space and display the parking permit on the car's window.
- Do not visit the parking lot during the school day unless granted specific permission by an Administrator.
- In the event that a student's car is involved in a crash on school property, an administrator must be notified immediately, then the local police department.
- A student who uses his/her vehicle to leave school grounds without permission, or who exhibits a pattern of tardiness to school may lose this privilege.
- Your driving privilege and decal may not be sold, given, or loaned to another student. Students may share a spot with administration approval.
- **The administration has the right to search a student's vehicle on school grounds if there is probable cause that a student may be in possession of contraband, including but not limited to drugs, weapons and alcohol.**

Violation of any parking/driving regulations may result in temporary or permanent loss of driving privilege. Other penalties may include detention, suspension, fine and towing at the owner's expense.

A **mandatory** meeting with administration is tentatively scheduled for Friday, September 10, 2021 @ 7:00 a.m. in the Little Theater.

In order to be fair, a lottery system is used for student parking.
