In a partnership of family, school, community, and local and state government, our mission is to enable all students to meet high standards, make productive choices in their personal lives, contribute to a diverse global society and act as responsible citizens.

The Board will provide the necessary interventions, resources and support to administrators, teachers and staff in order to promote the educational, behavioral, and social emotional recovery of students from the impact of the COVID-19 pandemic.

Collaboration:

In order to ensure that the students transition smoothly into NWR7, the Board will strive to collaborate effectively with our member towns and their Boards of Education.
