# NFLHS: Bracelets for *Oaxaca Streetchildren Grassroots*

**Oaxaca Streetchildren Grassroots:** We believe in education as a human right and help the poorest of Oaxaca's children realize their dream of going to school.

**TOGETHER WE WILL:** Change the world through education

Ian Jimenez Campos, a 6th grader in Oaxaca, Mexico. We have committed to sponsoring him until he graduates high school and/or university.

# NFLHS: Bracelets for *Oaxaca Streetchildren Grassroots*

To raise money for our sponsorship, we made customized bracelets and necklaces. We learned how to stamp and string them for the fundraiser.

# Operation Christmas Child:

Mr. Reese, Ms. Sullivan, Mrs. Mercier,  
Ms. Fortier and Students

Students collected and donated toys and personal care items for Christmas Child Shoeboxes that are shipped to countries all over the world through Samaritan's Purse. This was the AIM Program's 4th year and the first year of Kindness in Motion's support with this wonderful charity.

# Walk a Mile in their Heels:

Ame Beaulieu, Brandon Garcia,  
Alison Keplinger, and Soleia Swanson

# Highlander Care Closet:

Nora Sweeney

We have clothing and personal care items in the Highlanders Helping Highlanders Care Closet. I also shared my inventory list to some of the NWR7 staff. I was so happy about the project and how it turned out because I was excited. Thank you to all of the staff that donated clothing to the LINKS room 303.

## Fighting the Good Fight on Hunger and Homelessness:

Grace Fragale,  
Adrian Ransom

We had a food drive and a raffle at the food truck festival to raise food and money. We will use the donations to make care packages for the homeless.

We were inspired by Adrian's family friend who does a lot for the homeless. He is the one who created the organization :)

# Lively-Hood:

Ali Mendoza

*Lively-Hood is a fundraiser focusing on the well-being and comfort of children in social services. Regardless of age, grade, or schedule, many of you stepped forward to donate money and I thank you for that.*

*When kids and teens are going through difficult times in shelters or social service, comfort in small services can make a difference. With everything else on their plate, worrying about necessities like hygiene equipment and fitting clothes should not be something that burdens them.*

*This project really opened my eyes to how hard managers of charities and fundraiser that raise money year long work. My respect to their dedication has only grown as did my own motivation to continue doing something good.*

# Say Cheese! Photograph Greeting Cards to Benefit Kids

Ms. Jenn Hurley-Coughlin and Photojournalism Club

# The People's Impact Project: Elise Gajewski, Ruby Dasgupta

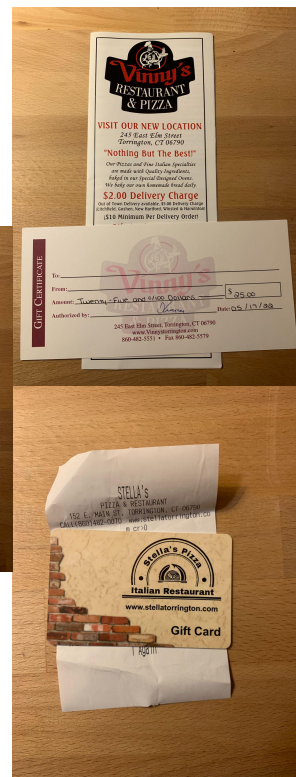

For our kindness in motion project Ruby and I worked with the Teen center in Torrington and used our money to buy them needed supplies like food and hygiene products. We then went to local pizza places and asked them to donate \$25 gift cards to the teen center because the kids there love eating the pizza from those places. As of right now, we have 3 gift cards so far and still have many more places to visit.

# Community Hero Baskets:

I used my \$100 grant to show my appreciation for police force. I brought buckets of snacks to the Avon Police Department for all the officers to enjoy, as a "thank you" for all they do!

# 2022 Spirit of Kindness Award

Megan Ficke and Ronda LeKang

A high-speed photograph of a water droplet falling into a pool of water. The droplet is captured mid-fall, just above the point of impact. Below it, a series of concentric ripples spread outwards from the center. The water is a deep blue, and the background is a bright yellow. The overall effect is one of a single drop creating a large impact.
