

Greetings!

We are excited to announce that we are now offering the convenience of online Athletic registration through **FamilyID** ([www.familyid.com](http://www.familyid.com)).

**FamilyID** is a secure registration platform that provides you with an easy, user-friendly way to register for our Athletic programs, and helps us to be more administratively efficient and environmentally responsible. When you register through **FamilyID**, the system keeps track of your information in your **FamilyID** profile. You enter your information only once for each family member for multiple uses and multiple programs.

#### **BEFORE YOU REGISTER:**

To participate in the athletic program, you must submit this electronic registration form **AND** either upload an electronic copy of the student's physical or submit a hard copy to the nurse's office. To participate in sports, the physical needs to be current at all times during the entire season. This physical must be on record in the school nurse's office. If your child plays more than one season you will need to update and register for the new season. Just pick a sport and update any changes.

#### **INFORMATION NEEDED TO REGISTER:**

It will be helpful to have the following information handy to allow for accurate completion of your online registration:

Medical Information

Insurance Information
