

REGIONAL SCHOOL DISTRICT NO. 7  
SCHOOL LUNCH PROGRAM

FOOD ALLERGIES

The School Lunch Manager will be informed by the School Nurse as to any food allergies that exist in the school system.

Any student who approaches the Cafeteria Manager will taken to the School Nurse to verify the student's allergy and a plan of action will be developed for that student. The School Nurse will have a written notice from a doctor regarding any allergy (might be part of health assessment which doctor has given the child).

The Manager will work with the student, parents, and school nurse to meet the needs of the student.
