### Music stores:

- Charlie Stevens – 860-485-9844 - [chstevens@charter.net](mailto:chstevens@charter.net) - does all repairs, works free-lance out of his house – you can either drop off at his house in Harwinton, or bring it into school and he will pick it up/drop it off here – very reasonable prices and very good repairs – you must call him ahead of time to arrange pick-up/drop off at school - we send most of our repairs to him
- Music and Arts - 1-860-676-0048 – Avon - all repairs, accessories (oils, reeds, cleaning supplies, mouthpieces, etc.), and instruments – picks up/drops off at school once a week (Tuesdays last year) – very reliable, relatively quick service – repairs usually good  
[www.MusicArts.com/EncoreRewards](http://www.MusicArts.com/EncoreRewards) – if you register at this website, you can get an e-mail coupon, plus sign up for on-line ordering with delivery right to the school- great for reeds, oils, books, accessories, etc.
- The Horn Shop – 1-860-236-9585 - West Hartford – great woodwind repairs (especially saxes), very good brass repairs, a little far away and only open Wednesdays-Saturdays, but well worth the trip – very reliable and economical (this is where I take my personal instruments) – some used instruments for sale

\*If you play a school-owned instrument, you must take it to one of these stores for any repairs – these are the ones we trust with our instruments.

### Sheet Music (for solos/festivals):

- Local music stores – especially if you call ahead, they might either have it, or be able to order it for you
- JW Pepper & Sons: 1-800-345-6296 – Pennsylvania – has lots in stock, usually delivery of music within one or two days, but no one is really knowledgeable to help you make any decisions about music to order
- Menchey Music: 1-888-636-2439 – Pennsylvania – VERY knowledgeable, helpful staff – if you are looking for something general (flute duets to play with a friend, some fun books to play from over the summer, etc) and want advice as to what to get, they will help you
- Shattinger Music: 1-800-444-2408 – Missouri – same as Menchey Music, just bigger and farther away so it might take an extra day to receive what you order
