STUDENT CONTRACT:

I am aware that I am required to be at all rehearsals and concerts and will make appropriate arrangements with my parents to attend all after school events.

I am responsible for learning my assigned material with correct rhythms, pitches, fingerings/stickings, and phrasing, doing so with the best tone quality possible. Should I have difficulty with particular musical elements, I will speak with Mr. Lesieur or a private teacher to help make improvement.

I intend to make practice a regular part of my weekly habits, as it is a necessary part of participation in this class, just as homework is assigned in other classes.

I have read and agree to adhere to all policies outlined in the Middle School Band 2015-2016 Policies and Procedures.
