This story follows Carley as she struggles to adjust in her new foster home. The storyline and dialog are believable, and made me root for Carley. I recommend this book for anyone who likes realistic fiction, and don't mind a tug at their heartstrings.
Helpful Hint!

Write your review ahead of time. This way, you can check for writing conventions, and that you have included a recommendation and no spoilers. Then, just copy and paste in the review box.

Example:
This story follows Carley as she struggles to adjust in her new foster home. The storyline and dialog are believable, and made me root for Carley. I recommend this book for anyone who likes realistic fiction, and don't mind a tug at their heartstrings.
